Source: HDD invites you to join our advertising distribution list. We may have already been contacting you by phone, fax or US mail. If so, you do not need to fill out this form in order to continue receiving information from us in the same way you have. We are pleased, however, to now extend our contact methods to include e-mail.

We make every effort to keep our correspondence frequency low. We try not to distribute the same information to the same contacts in more than one format. Our order of communications preference is: e-mail; fax; US mail; phone. So, for example, if you receive e-mail advertising from us, you should not normally receive an advertisement fax, letter or phone call. We do, from time to time, run ad campaigns that only address one or two distributions methods, though, so be sure to enroll for all forms that you can receive, so you won't miss what could be just the deal you've been looking for.

After considering both the legalities and netiquette of unsolicited e-mail, and being sensitive to our customer and prospective customer desires, we have chosen to restrict our e-mail communications to those from whom we have specific authorization.

In order to receive or continue receiving e-mail from us, you must fill out this form. If you were directed here by an unsolicited e-mail, please note that it was intended to be a one-time event. In order to offer an e-mail option to those we have been communicating with by other methods, we have sent invitations to offer you the option. Unlike mail, phone and fax contacts, however, which will continue until you ask us to stop, we will not contact you again on purpose via e-mail without your permission.

To join our e-mail distribution list, or make changes to how we currently communicate with you, please fill out the appropriate blanks on this form, then fax to 316-283-5718, or mail to Source: HDD at 1450 S. Spencer Rd in Newton, Kansas 67114, attention Customer Contact. If e-mail is included as a contact option, once we receive the form, you will be sent an e-mail showing the information you submitted, asking for your confirming reply. If e-mail is not a contact option for you, we may contact you by US Mail or phone to confirm the authenticity of the request. Either way, we will not take action on your information until we receive a confirmation.

Please rest assured that **WE DO NOT share our marketing contact information** with other companies or individuals, and will work hard to protect that data from unauthorized access. For a complete disclosure of our privacy policy, please visit our web site or contact us by any means to receive a copy by fax or US Mail.

If you have any questions concerning our privacy, unsolicited e-mail, or advertising contact policies, or this form, please e-mail them to webmaster@sourcehdd.com, or contact us by directly by any means.

Thank you for taking the time to read these instructions and take the appropriate action. ***We look forward to exceeding your expectations!***
